

STARS FOR A DARK NIGHT

On the darkest night, we see the most stars...

December can be a long month when you are holding the memory of someone who has died. Join fellow community members, Hospice Peterborough, and the Peterborough Public Library to come together and fill the library lobby wall with stars in memory of people who have died. Stars are available to decorate at the library and at the front desk of Hospice Peterborough over the month of December. Or use this template to make your star.

Stars cannot be returned to you.

Cut or trace along these lines...

**Peterborough
Public Library**

Memorial Ceremony:

On Thursday December 19 at 4:00 pm, we will come together in the Peterborough Public Library auditorium for a short, reflective memorial ceremony to honour your loved ones with an opportunity to decorate a star. **We encourage you to join us!**
